Application Guidelines

The purpose of the Youth Soccer Scholarship program is to provide underprivileged or needs-based youth the opportunity to train, develop and play youth soccer in our community. It is intended to serve as a financial assistance program for those applicants and families requiring temporary or permanent assistance. Scholarships will be available for both spring and fall Seasons. The length and amount of the scholarship shall be established by the Scholarship Committee. Scholarship recipients shall submit a new application for each season of play.

At any time, the Scholarship Committee reserves the right to re-evaluate an applicant's scholarship at its discretion and to address any changes in eligibility or conditions in an applicant's or their family's status which may result in the termination or modification of the applicant's scholarship.

Awards

The Youth Soccer Scholarship Committee may award scholarships to cover the recipient's expenses in the following:

- Neuse River FA Team Fee

Neuse River FA believes that in order for the recipient to maintain an appropriate level of focus and commitment to soccer the recipient and their family shall maintain and provide some level of financial involvement. For that reason, Neuse River FA will not grant a 100% scholarship to any individual for any season of play.
